The Barnard subcommittee of the Barnard Planning Commission will hold a public meeting on October 11, 2023 at 7:30 at the Danforth Library, Route 12, Barnard.

The purpose of this meeting is to provide the Planning Commission with information on scenic ridge line designation. We will be reviewing the town of Norwich's plan. Future meetings will look at Woodstock's and Pomfret's plans. This subcommittee is not a decision making body.

If you plan on attending please put your comments in writing and it would be helpful if you review the Norwich plan ahead of time.

Agenda:

1. Call to order
2. Chair's introduction
3. public comments
4. Subcommittee discussion
5. adjourn
