- trail
- private
- surface water

* The Land Use Overlay areas provide considerations in land use and development in addition to those in place for the underlying area. Where land use areas (solid color) and overlays (hatch) intersect, the considerations for each respective area apply.

PARCEL DATA DISCLAIMER:

These data are works in progress. They are not to be used for description, for conveyance, or for determination of legal title. The information on these data are derived in part from recorded surveys, in part from deed descriptions, and in part from approximations. Therefore, property boundaries as shown are only approximations and may differ significantly from actual boundaries. Furthermore, not all internal property lines are shown. While the data shows many public rights-of-way, it does not show them all. For more information about these data please contact the Barnard Town Offices or TRORC.
